SUMMARY

Student at Umma University majoring in Software Engineering and is currently done with year 3 moving to year 4. I am hardworking and always ambitious to learn more on the field. Currently looking forward to gaining experience from this attachment not only because it's a university requirement but also for my own beneficial needs as a student.

TECHNICAL SKILLS

PROJECTS

Qubaa dummy website

Creator Jan 2022 - Jan 2022

I created a dummy school website as a trial to practice the lessons I had been taught in class on HTML and CSS.

<https://swattyoungboy.github.io/qubaawebsite.com/index.html>

Swatt tech solutions

Creator Mar 2022 - Mar 2022

I created another test website for my own practises and benefit.

<https://unknown-swat.github.io/swattechsolution.io/#>
